

Department of Mathematical Sciences (DMS)

Application for Math Placement Examination Form

** There is an \$11 fee assessed for taking the DMS Placement Exam **

Student Information

Name: _____ Date: _____
Student ID: _____ Major: _____
Phone: _____ Email: _____

Information (please check each box to acknowledge)

- The exam only allows placement into UNLV MATH 120, 124 and 126 (or allows higher level placement testing*)
- The exam fee is \$11
- The fee is only allowed for the date provided below
- The fee is non-refundable (even if I am not eligible to take the test, cancel, reschedule, or fail to show)

* In order to place into higher level courses (i.e. MATH 132 and MATH 181) a student must first successfully complete this placement exam. A proper score on this exam will allow the student to take an exam specifically tailored to their course of choice, for no additional fee.

Eligibility** (please check all that apply)

- I have not taken SAT -or- I have taken SAT, and wish to better my placement. If so, report score: _____
- I have not taken ACT -or- I have taken ACT, and wish to better my placement. If so, report score: _____
- I have not taken the UNLV DMS placement exam within the last month
- I have not previously taken a math course from a NSHE institution (such as CSN, NSC, etc.)
- I have not transferred a math course from an accredited college or university

** It is the students' responsibility to determine eligibility or seek clarification. While it may be possible for an ineligible student to sign up, pay for and take the placement exam, the fee will not be refunded, and the exam score will be inadmissible and will not be uploaded into the system.

Steps to take the Math Placement Exam

Date of Exam: _____ Location of Exam: _____

STEP 1: Pick up this form from the DMS front office (CDC Building 8) or download online.

STEP 2: Present this form to the Cashier's office in SSC room 131 and pay the \$11 fee.

STEP 3: Take this form and receipt of payment to the DMS front office (CDC Building 8).

STEP 4: On the date of the exam listed above, come to the location provided above with a government issued id or rebel card, and pencil. Electronics (such as cell phones, calculators, etc) and backpacks will not be allowed in the testing facility.
